

Supply List & Pre-Workshop requirements  
Sew Together Bag by Sew Demented  
January 22, 2022 or date to be determined

To use workshop time efficiently, this workshop requires that the sewists pre-cut, pre-interface, and pre-press the required fabric pieces. This workshop will NOT wait for those who come unprepared.

- **\$2 zipper fee** payable to **Debbie Jean Hopkins** at the beginning of the workshop for the 4 necessary zippers provided by Debbie Jean (many color choices will be available)
- **Sew Together Bag Pattern** by Sew Demented – purchased from Elk Grove Sew & Vac - \$12. This pattern is also available online at an additional cost.– (For those sewists who compare the pattern piece dimensions with the following fabric piece dimensions – Yes, the dimensions below are different!)
- **1 piece 14" x 10" Exterior Fabric** - please consult pattern pages 1 & 2 for design options – Apply medium weight fusible interfacing, or fusible fleece, or stitch batting to this piece
- **2 side panels** (using the trapezoid piece in the pattern) - **Exterior Fabric** - **Be sure to cut the panels on the fold!** Apply light or medium weight fusible interfacing to both of these pieces
- **4 pieces 9" x 10" Lining Fabric** (compliment or contrast to exterior fabric). – Apply medium weight fusible interfacing
- **2 side panels** (using the trapezoid piece in the pattern) - **Lining Fabric** - **Be sure to cut the panels on the fold!** Apply light or medium weight fusible interfacing to both of these pieces
- **6 pieces - 4" x 10" - Pocket Fabric** (can match, compliment, or contrast).
- **2 pieces – 2" x 6" Binding Fabric** (can match, compliment, or contrast to exterior fabric)
- **2 Strips - 2 ½" x width of fabric Binding Fabric** (compliment, or contrast to exterior fabric) – Iron both strips – lengthwise - wrong sides together
